Wilder Construction Co., Inc.
2006 N. State St.
Bellingham, WA 98225

Gentlemen:

Underground Tanks - 1988 Program
Specification No. 2928
Ordinance No. 113278
BPW Project No. 88-85

Notice to Proceed

We have been notified by the Board of Public Works that the original contract and surety bond covering the subject project have been filed with the City Comptroller and City Clerk.

In accordance with your recent request you are, directed to begin work under this contract on January 3, 1989 and to prosecute the same until the completion thereof which must be within 90 calendar days, or April 2, 1989.

The work will be inspected by Mr. Al Critz who is under the general supervision of Mr. E. C. Wang. All matters in question should be referred to the inspector on the work; or in the event he is not available, questions may be directed to the Construction Engineering Office, Mr. Wang, 684-3066, or Mr. Bill Schwartz, Administrator at 684-3069.

All submittals and correspondence should be sent directly to us in accordance with Section 00100, Paragraph 1.26 of the Specifications.

Yours truly,

Original Signed by:
CHARLES J. WEEMS, P.E.
